

BALDER

Design / Jens Landberg Schrøder

An abundance of beautiful hues inspired by nature add depth to the classic goose eye pattern on this simple and sophisticated, hand-spun rug. Whether choosing the golden honey toned Umbra, Forest green inspired by crisp beech leaves, classic grey, black and midnight blue, the colours are strong enough to stand out, and soft enough to blend into a natural colour scheme and suit any wooden floor. Mixing high quality wool and linen in a very tight weave deliberately creates a slightly worn surface suggesting that this rug will only become more beautiful with time.

CERTIFICATION

Independent test results confirm performance at the highest industry standards.

Durability	Most tested rugs achieve the highest classification for loose-laid textile floor coverings. The same rigorous test previously classified the rugs as Class 23 (Heavy Domestic Use) and, under the updated classification system, corresponds to Class 32 General Commercial Use. These results are a testament to our rugs' high durability and resilience in spaces with intensive daily use, maintaining both their appearance and material integrity over time.

DOMESTIC USE

Fire safety	All tested designs achieve the highest fire classification for textile floor coverings, Class Bfl-s1. This ensures strong resistance to flame spread and minimal smoke emission, providing maximum safety in public and hospitality spaces. Testing is carried out in accordance with EN 13501-1, using internationally recognized methods including EN ISO 9239-1 and EN ISO 11925-2. Only a small number of rugs are not included in this testing programme, as they are designed for private homes rather than hospitality use.

As most of our rugs are unique and hand-made, the size can vary slightly from the ordered size (+/-4%). Irregularities in size, colour and weaving are characteristics of hand-made rugs.
