

TANNE

Design / Jens Landberg Schrøder

This reversible hand-woven rug in pure New Zealand wool fuses a simple contemporary pattern, soft colours and exquisite quality. A very durable rug available in four different colour combinations, blending natural hues. We have added two timeless tonal combinations in off-white and beige to the existing palette of white and grey, and white and black. Together, they give the design a timeless and current expression that works beautifully in larger spaces and hotels, where the rug, without dominating, can complete, balance and brings warmth into contemporary interiors.

The Tanne design is now available in an additional size 250x350 cm.

CERTIFICATION

Independent test results confirm performance at the highest industry standards.

Durability Most tested rugs achieve the highest classification for loose-laid textile floor coverings. The same rigorous test previously classified the rugs as Class 23 (Heavy Domestic Use) and, under the updated classification system, corresponds to Class 32 General Commercial Use. These results are a testament to our rugs' high durability and resilience in spaces with intensive daily use, maintaining both their appearance and material integrity over time.

DOMESTIC USE

Fire safety All tested designs achieve the highest fire classification for textile floor coverings, Class Bfl-s1. This ensures strong resistance to flame spread and minimal smoke emission, providing maximum safety in public and hospitality spaces. Testing is carried out in accordance with EN 13501-1, using internationally recognized methods including EN ISO 9239-1 and EN ISO 11925-2. Only a small number of rugs are not included in this testing programme, as they are designed for private homes rather than hospitality use.

As most of our rugs are unique and hand-made, the size can vary slightly from the ordered size (+/-4%). Irregularities in size, colour and weaving are characteristics of hand-made rugs.
